www.lewiss.co.nz/faq

The notion that all companies make and install curtains to the same standard is unfortunately not the case. As a result, Lewis's pricing may not always be the cheapest, but you can be confident that Lewis's focus and passion is on providing you with a quality result.

> We don't cut corners, we don't reduce quality and we don't skimp on fabric or fullness.

Our focus is on providing a quality product, rather than a cheap price.

> We make and install to the highest standard.

Beautiful fabrics can be expensive, and require a high standard of making and installation to be at their best. We invest the time and care into producing a quality result, use the best equipment, and employ some of the most experienced curtain makers and installers.

> We use Maxline Five Star Lining.

It is important to look after your investment with a quality lining. Lewis's exclusive Maxline Five Star Lining provides the greatest insulation, UV protection, machine washable and dust free properties, keeping your home warm and healthy, and extending the life of your furnishings.

> We provide after sales service.

The reason we have been around for more than 70 years is because if there are any problems, 'we put it right'. Our service and reputation is second to none and is very important to us.

> We provide you with the very best expertise and service.

Our designers have years of experience and are passionate about what they do. Throughout the design process, they will share their insider tips, discuss the best options for your home and family, and work with you to create furnishings that you absolutely love.

At Lewis's, we believe you get what you pay for. We may not always be able to offer you the cheapest price, but we will always offer you the greatest value.
